2 Professional Responsibility: *The Mindful Lawyer* adds a mindfulness dimension to the regular PR course. Enrollment is limited to 30 students. Daily mindfulness practices are required to enhance self-reflection on ethics and professionalism in law practice. Approximately one credit of the course is the mindfulness component, and is graded as pass/fail, but students receive a letter grade for the class.

3 The American Bar Association requires that students have completed 28 credits prior to enrolling in an online course. There can be no waiver of this requirement.
